SPA VALLEY RAILWAY

6TH MODEL RAILWAY SHOW!

19TH & 20TH SEPTEMBER 2026

TUNBRIDGE WELLS, KENT

We are delighted to welcome you to the sixth Model Railway Show!

Since the event began in 2021, it has grown into one of the highlights of our calendar. Each year, the show brings together an exciting selection of layouts, traders and enthusiasts, creating a great day out for everyone from lifelong modellers to those discovering the hobby for the first time.

The main exhibition will be in the historic engine shed at Tunbridge Wells West, featuring a variety of layouts showcasing different scales, eras and styles. Additional layouts will also be on display at Groombridge and Eridge, giving you even more to see as you travel along the line.

The event isn't just about the layouts. A large selection of trade stands will join us, offering a wide range of model railway products, accessories and other items. Whether you are looking for something to add to your layout, searching for that elusive item or simply browsing for inspiration, there will be plenty to discover.

Be sure to visit the Spa Valley Railway shop at Tunbridge Wells West too. For the Model Railway Show, the shop will stock products from well-known manufacturers, including Hornby, Bachmann, Rapido Trains, Dapol, Heljan and Peco. We will also have a selection of items available at heavily reduced prices.

If you're looking for a particular item that we don't have in stock, please speak to one of our shop attendants. Where possible, we can order items for you to collect later.

With layouts to explore, traders to browse and the unique atmosphere of the Spa Valley Railway to enjoy, we hope you have a fantastic day at our sixth Model Railway Show.

Whether you are an experienced modeller, a railway enthusiast or simply looking for an enjoyable day out, we look forward to welcoming you aboard!

EVENT PLAN

The event plan shows the location of layouts and stands at Tunbridge Wells West, more are located along the railway at Groombridge and Eridge. We strongly recommend you purchase a train ticket to get the most out of your visit.

The above plan is correct at the time of print but is subject to change and some layouts may be located in a slightly different area on the day. If there is a particular layout you would like to see and it isn't in its original location, please speak to the Exhibition Staff who'll be glad to answer any questions you may have.

Thank you and enjoy the show!

THE BRIDGE MAY BE IN. BUT THE BILLS STILL GO OUT.

WE HAD TO ACT.

The original Broom Lane Bridge was fast approaching the end of its life. If we hadn't replaced it in 2026, it would have been closed by now and there'd have been no more trains.

We'll be paying off Broom Lane Bridge through 2028.

We've budgeted for monthly payments, but every donation helps reduce the pressure on our limited finances, allowing us to continue investing in other essential projects and improvements across the Spa Valley Railway.

THE NEWLY INSTALLED BRIDGE.

THE NEW BRIDGE GOING IN.

THE FIRST PASSENGER TRAIN.

PLEASE DONATE TO OUR BROOM LANE BRIDGE APPEAL.

Help us meet the monthly payments and operating into the future.
